# Unveiling the Future: PY Strategic Plan 2024-2030

## Empowering Youth, Shaping Futures

The Strategic Plan for Peace by Youth (PY) for 2024-2030 sets forth ambitious goals and initiatives, focusing on enhancing youth empowerment, strengthening community development, and promoting peace and harmony in Pakistan. Key areas of focus include expanding educational and training programs for youth, fostering sustainable development projects, and building stronger networks with global partners. PY aims to innovate in its approach to social issues, integrating technology and new methodologies. The plan also emphasizes the importance of sustainability, both environmentally and in terms of project impact. Through these initiatives, PY is committed to making a significant and positive impact on communities nationally.
